

October 17-18, 2023 - Konstanz, Germany

Exclusive Partnering and Exhibit Opportunities

With 150-200 attendees from Europe and beyond, the “Diagnostics-4-Future Conference” is an international meeting-place for users and providers in diagnostics and adjacent fields. Based on questions in medical care, clinics and laboratories, innovative solutions for new diagnostics are discussed including research and development.

NEW features in 2023

- **Recruiting & Hiring event – meet young professionals!**
Interactive life-science oriented activities including Job-Datings (organized 1:1 meetings) with students, graduates and post-docs, presentation opportunities for employers (exhibition) before and during the conference. [More information](#).
- **New venue**
For the first time, the conference takes place at the [Bodenseeforum Konstanz](#), located directly on the shores of the river Rhine that flows into the Lake Constance.
