

Organized by

October 07-08, 2025 - Konstanz, Germany

Exclusive Partnering and Exhibit Opportunities

With 150-200 attendees from Europe and beyond, the “Diagnostics-4-Future Conference” is an international meeting-place for users and providers in diagnostics and adjacent fields. Based on questions in medical care, clinics and laboratories, innovative solutions for new diagnostics are discussed including research and development.

The conference takes place at the [Bodenseeforum Konstanz](#), located on the shores of Lake Constance and the river Rhine.

Conference profile

International audience: 150-200 attendees from Europe

Two conference days with >20 speakers

Accompanying exhibition on both days

Matchmaking event with organized 1:1 meetings (limited to 50 participants!)

Consulting tables: Assessment of entrepreneurial issues by exhibiting experts

Pitch competition: Present your ideas on stage!

Plenty of room for networking to explore collaborations (welcome dinner, lunch...)
